

## BRYAN CAMPBELL

ASSOCIATE DIRECTOR-TECHNOLOGY – CORPORATE SYSTEMS AT&T

Bryan is a manager in the technology development program that's mission is to hire, develop, mentor, and manage full time and summer intern STEM college graduates through several assignments and special projects over a 2-year period to grow their skills, business acumen, and impact while aligning them to a final role suited to their skills and passion.

Bryan has 32 years of communications experience at Nortel and AT&T managing engineer teams in a variety of technology areas: Digital and VoIP Switching, Optical Long Haul, Mobility, and Engineering Staff Support. In those roles he has excelled at meeting the needs of customers as well as achieving company revenue and cost targets.

In addition, Bryan is a proud veteran of the US Army where he served in the 1st Infantry Division, Fort Riley Kansas and in Germany in the 59th Air Traffic Control Battalion supporting the 5th/7th Corps.
